Greenhouse Fizz

By the
Cocktail Crow

Ingredients:

Limes
Fresh mint leaves
Sugar syrup
Crushed ice
Elderflower gin
Soda water
Lime cordial

Equipment:

Jug
Knife
Wooden spoon
Glasses to serve

Method:

- ✧ Wash the limes and mint leaves.
- ✧ Chop some limes into wedges – I used three limes cut into six wedges. Give each wedge a squeeze as you drop it into the jug.
- ✧ Tear the mint leaves in half as you drop them into the jug – I used a good handful.
- ✧ Pour in enough sugar syrup to moisten the mint leaves, then stir and bash the limes, syrup and mint leaves together with the wooden spoon.
- ✧ Add the crushed ice – I filled the jug a quarter full.
- ✧ Add the gin – I poured in enough to cover the ice.
- ✧ Top up the jug with the soda water.
- ✧ Add a good dash of lime cordial to give a hint of green colour to the cocktail.
- ✧ Give one more stir with the wooden spoon.
- ✧ Pour and enjoy, and of course...drink responsibly.

Pattern (in UK terms):

For the flags - make as many as you would like.

Choose a colour and either ch4 and join with a ss or use a magic circle.

Rd 1: (chl, dc,) nine times into your starting ring. Chl and join to first dc with a ss. Fasten off. (9 stitches, 9 spaces)

Rd 2: Join next colour with a ss in a chl space. Ch2 (as first htr).

(chl, htr into next chl space) 8 times. Chl then join with ss to second chain of starting ch-2. Fasten off. (9 stitches, 9 spaces)

Rd 3: Join next colour with a ss in a chl space. Ch3 (as first tr).

(chl, tr, chl, tr all into next chl space) 8 times then chl, tr chl into your starting chl space and join with ss to 3rd ch of starting ch-3. Fasten off. (18 stitches, 18 spaces)

Rd 4: Join next colour with a ss into a chl space. Ch3 (as first tr), then into the same space that you've started in make a tr, ch3, 2tr. This is the first corner of your flag. *In next space work 2 htr, in next space (htr, dc), in next space 2dc, in next space (dc, htr), in next space 2htr.* This is the first side of your flag.

Rd 4 continued.: Make a corner by (2tr, ch3, 2tr) in next space. Then repeat from * to *, make a corner and repeat from * to * again. Join to 3rd ch of starting ch-3 with ss. Fasten off. (14 stitches on each side of triangle, 3 ch-3 spaces)

Rd 5 (Final round of flag): You have been working in the spaces between stitches. For this round you work into the stitches themselves unless working a corner. Join final colour with a ss into a ch-3 space. Ch3 (as first tr), then into the same space that you've started in make a tr, ch3, 2tr. Make 1 tr into each of the next 14 stitches. In ch-3 space make 2tr then ch3 and ss into third ch from hook (to make a picot) then make another 2tr. Tr into each of the next 14 stitches. (2tr, ch3, 2tr) into ch-3 space and tr into each of the next 14 stitches. Join to 3rd ch of starting ch-3 with ss. Fasten off and sew in ends. (18 stitches on each side of triangle, 3 ch-3 spaces)

To join your flags choose one of the colours and ch20. Then ss into the very first ch stitch to form a loop. This can be used for hanging your bunting. Now ch 40 and pick up your first flag. Make sure your picot corner is pointing downwards and dc into the top right hand corner of the flag, then dc into each of the 18 stitches to left hand corner, and dc into the corner. The amount you chain next depends on how big you would like the gap between the flags. 1 ch10 then attach the next flag. When you have attached all your flags ch40 and mark the last stitch. Now ch20 and ss into the marked stitch to form a loop. Fasten off and sew in any loose ends. Tadaaa!

Rounds 1 & 2

1. Choose a colour and either chain 4 and join with a slip stitch or use a magic circle. Then chain 1, and make a double crochet into your starting circle.

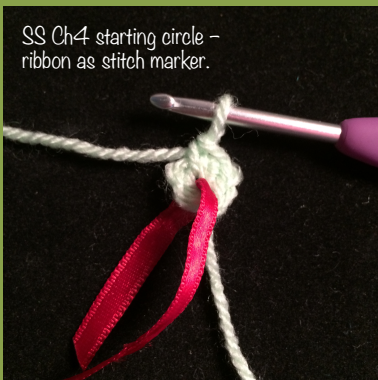

2. Chain 1 and dc into the circle eight more times. Chain 1 and join with a slip stitch to your first dc. Fasten off. You should have nine stitches into your circle.

3. Join next colour with a ss in a chl space. Then chain 2 - this counts as your first half treble stitch.

4. Chain 1 then half treble into next chl space. Do this in each of the 7 remaining chl spaces. Join with ss to second chain of starting ch-2. Fasten off. You should have 9 stitches and 9 chl spaces. (Those loose ends can be tackled now or later!)

Round 4

9. Join next colour with a ss into a ch1 space. Ch3 (as first tr), then into the same space that you've started in make a treble, ch3, and two more trebles. This is the first corner of your flag.

10. In next space work 2 half trebles,

11. in next space (htr, dc), in next space 2dc, in next space (dc, htr), in next space 2htr. This is the first side of your flag. Make a corner by (2tr, ch3, 2tr) in next space.

12. Then repeat steps 10 and 11 twice, omitting the final corner. Join to 3rd ch of starting ch-3 with ss. Fasten off. You should have 14 stitches on each side of triangle, with 3 ch-3 spaces.

Round 5

13. You have been working in the spaces between stitches. For this round you work into the stitches themselves unless working a corner. Join final colour with a ss into a ch-3 corner space. Ch3 (as first tr), then into the same space that you've started in make a tr, ch3, 2tr. Make 1 tr into each of the next 14 stitches. In ch-3 space make 2tr.

14. To make the picot chain 3 and slip stitch into third ch from hook, then make another 2tr. This is the picot corner.

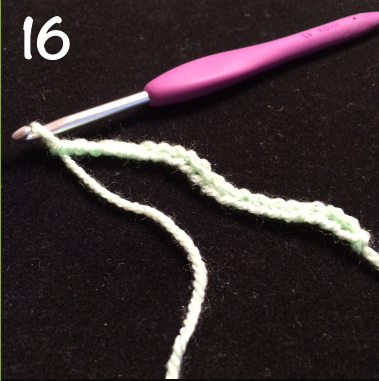

15. Treble into each of the next 14 stitches. Then (2tr, ch3, 2tr) into ch-3 space and tr into each of the next 14 stitches. Join to 3rd ch of starting ch-3 with slip stitch. Fasten off and sew in ends. Your flag should have three sides, each with 18 stitches and three ch-3 spaces forming the corners.

The Joining

16

16. To join your flags choose one of the colours and ch20. Then ss into the very first ch stitch to form a loop. This can be used for hanging your bunting.

17. Now ch 40 and pick up your first flag. Make sure your picot corner is pointing downwards and dc into the top right hand corner of the flag, then dc into each of the 18 stitches to left hand corner, and dc into the corner.

18. The amount you chain next depends on how big you would like the gap between the flags. I ch 10 then attach the next flag. When you have attached all your flags ch40 and mark the last stitch. Now ch20 and ss into the marked stitch to form a loop. Fasten off and sew in any loose ends.
